How is this Form Completed if I am Part of a Group of Firms?

Multiple locations, owned by a single owner, providing full service and staff at each establishment, would each constitute separate firms for the purposes of your MFDA dues payment. Unstaffed branches should be combined with a central establishment for dues paying purposes, and are listed under the main firm in the MFDA directory.

"It is understood and agreed that membership in MFDA is conditioned upon adherence to the MFDA Constitution, Bylaws and Code of Professional Conduct. Violations of any of these may result in disciplinary measures imposed by MFDA including, but not limited to, expulsion from membership."

Notice Regarding Tax Deductibility of MFDA Dues:

Generally, funeral homes that pay MFDA dues are able to deduct 100% of those dues as ordinary business expenses for federal tax purposes. However, due to the enacted Budget Reconciliation Act of 1993 ("the Act") dues revenues utilized by a professional trade association for lobbying purposes cannot be deducted by the member who paid dues. In accordance with the Act, the MFDA is hereby notifying its membership that it estimates that 36.5% of 2024 MFDA dues paid by a member are not deductible as ordinary business expense. These estimates are to be utilized by MFDA members in determining what portion of their MFDA dues is deductible.

Please provide a copy of this notice to your accountant and/or tax preparer.
